A.B.N. 93 000 952 705**

Audit Opinion

We have audited the financial report of Bomaderry Bowling Club Limited (the company), which comprises the statement of financial position as at 30 June 2026, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of Bomaderry Bowling Club Limited is in accordance with the Corporations Act 2001, including:

- (i) giving a true and fair view of the company's financial position as at 30 June 2026 and of its performance and cash flows for the year ended on that date; and
- (ii) complying with Australian Accounting Standards and the Corporations Regulations 2001.

Basis of Audit Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The directors are responsible for the other information. The other information does not include the financial report and our auditor's report thereon, but comprises the Supplementary Information contained in the annual report, which we obtained prior to the date of this auditor's report, and the President's Report, Treasurer's Report etc, which are expected to be made available to us after the date of this auditor's report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2026

1 Summary of Material Accounting Policies

Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the requirements of the Australian Accounting Standards - Simplified Disclosures of the Australian Accounting Standards Board and the Corporations Act 2001. The company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in the financial statements containing relevant and reliable information about transactions, events and conditions to which they apply. Material accounting policies adopted in the preparation of these financial statements are presented below. They have been consistently applied unless otherwise stated.

The financial statements, except for cash flow information, have been prepared on an accrual basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

The financial statements of Bomaderry Bowling Club Limited for the year ended 30 June 2026 were authorised for issue in accordance with a resolution of the directors on 26 August 2026.

Revenue and Other Income

The company has applied AASB 15: Revenue from Contracts with Customers (AASB 15) and AASB 1058: Income of Not-for-Profit Entities (AASB 1058).

Material revenue policies are as follows:

Goods and Services

All goods and services other than those detailed below are delivered, invoiced, and paid for simultaneously. This includes sales of liquor, gaming products, green fees, golf games, and other products. Revenue is recognised immediately at the point of sale. The impact of the loyalty program has been detailed below.

Memberships

Membership is granted following payment of annual fees and in the case of new members, board approval. Payment for new members is due on application, and payment for renewing members is due within one month of the renewal date. Contract liabilities are recognised on receipt of payment, and revenue is recognised on a straight line basis over the period of membership.

Loyalty Program

Members are eligible to earn points based on their in-club expenditure. Points are redeemable against any future purchases from the club. The points accumulate and expire at tiered rates and timeframes. A portion of takings relating to loyalty points are deferred to liabilities. Revenue is recognised when loyalty points are redeemed or the likelihood of the customer redeeming the loyalty points becomes remote.

Function Income

Deposits for functions are invoiced at the time of booking and are payable by the earlier of 30 days from the booking, or 10 days prior to the event. Full payment for the function is typically due by the day of the event. Contract liabilities are recognised when the booking is made, and for any part payments received prior to the time of the event. Revenue is recognised at the time the function is held.

Ticket Sales

Event tickets are invoiced when payment is received. Contract liabilities are recognised when tickets are sold prior to the date of the event. Revenue is recognised at the time the event is held.

Donations

Donations and bequests are recognised as revenue when received.

Interest

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Inventories

Inventories are measured at the lower of cost and net realisable value. Costs are assigned on a first-in first-out basis.

Investment Property

Investment property is measured at fair value, less any accumulated impairment losses.

Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Except for certain non-depreciable assets, depreciation is provided for on a straight line basis.

The depreciation rates used for each class of depreciable asset are:

Intangibles

Poker machine licences

Purchased poker machine licences have an infinite life in accordance with the licence terms, and are carried at cost. Poker machine licences are assessed annually for impairment, or more frequently if events or changes in circumstances occur.

Impairment of Assets

Where an impairment loss on a revalued asset is identified, this is debited against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that same class of asset.

Where it is not possible to estimate the recoverable amount of an individual asset, the entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Income Tax

The company is exempt from income tax under section 50-45 of the Income Tax Assessment Act 1997.

Provisions

Provisions are recognised when the company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured at the present value of management's best estimate of the outflow required to settle the obligation at the end of the reporting year. The discount rate used is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the unwinding of the discount is taken to finance costs in the statement of other comprehensive income.

Short term employee benefits

Provision is made for the company's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service, including wages and salaries. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The company's obligations for short-term employee benefits such as wages and salaries are recognised as a part of current liabilities in the statement of financial position.

BOMADERRY BOWLING CLUB LIMITED
A.B.N. 93 000 952 705

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2026

Other long-term employee benefits

The company classifies employee's long service leave entitlements as other long-term employee benefits as they are not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. Provision is made for the company's obligation for other long-term employee benefits, which are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Upon the remeasurement of obligations for other long-term employee benefits, the net change in the obligation is recognised in profit or loss classified under employee benefits expense.

The company's obligations for long-term employee benefits are presented as non-current liabilities in the statement of financial position, except where the company does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current liabilities.

Leases

Fairway Drive Property

The Club's lease for the property located 85 Fairway Drive North Nowra, is determined to be a perpetual lease, as it does not convey the right to use the underlying assets for a specified period of time. Therefore, as a perpetual lease arrangement lacks the essential characteristic of a lease under AASB 16, the lease is not brought to account as a liability on the Club's balance sheet.

Aristocrat Cancellable Contracts

The Club has lease agreements with Aristocrat for gaming licenses on twelve machines. The leases are cancellable leases, meaning there is no minimum specified contractual term. Cancellable leases do not meet the definition of leases in accordance with AASB 16, Para B34 so they are not brought to account in the Club's balance sheet. The annual payments on these contracts totalled \$89,893 for the current financial year, and they can be cancelled at any time with no more than an insignificant penalty (30 days' notice and a \$3,000 conversion payout per machine).

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2026

Material Accounting Estimates and Judgements

The directors evaluate estimates and judgements incorporated into the financial report based on historical knowledge and best available current information.

Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company.

Key Estimates: Employee benefits provision

The liability for employee benefits expected to be settled more than 12 months from the reporting date are measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, attrition and pay rates have been estimated.

Key Estimates: Poker machine licenses

The Club holds poker machine licenses granted at no consideration by the NSW government, and poker machine licenses purchased at fair value during amalgamation. The Club has determined that the market for poker machine licenses does not meet the definition of an active market and consequently licenses recognised will not be revalued each year, but tested for impairment.

Impairment of poker machine entitlements is recognised based on a value in use calculations and is measured at the present value of the estimated future cash inflows available to the Club from the use of its licenses. In determining the present value of the cash inflows, growth rate and appropriate discount factors have been considered.

Key Estimates: Wage and expense apportionment

The Club allocates wages and certain overhead expenses across its three operating locations (Bomaderry Bowling Club, Berry Bowling Club and Nowra Golf Club). These allocations require management judgement as they are based on staff time, duties and operational activity at each location.

Under this methodology:

Administration wages (admin/payroll) are allocated as Bomaderry 90%, Berry 5% and Nowra 5%.

Greens wages (bowling greens and grounds maintenance) are allocated as Bomaderry 65% and Berry 35%, unless actual time records support a different split, and Nowra golf course wages are allocated on actual usage.

Insurance premiums are allocated as Bomaderry 80%, Berry 10% and Nowra 10%.

Sporting club expenses, claims and support are charged directly to the club that receives the benefit.

Workers' compensation premiums are allocated based on the average number of staff at each location, pro-rata to total payroll.

Management considers this methodology to provide a reasonable and consistent basis for allocating wages and overheads to the locations that benefit from the related services and costs.
